#### DIRECTS THAT

1. The permission granted by Article 3 of the Order shall not apply to development specified in the First Schedule to this Direction in the area specified in the Second Schedule to this Direction ("the Land").
2. It is expressly provided that this Direction shall apply to:  
  
Development within Class A of Part 2 of Schedule 2 to the Town & Country Planning General Development Order 1988.
3. Pursuant to Article 5(4) of the Order, this Direction does not require the approval of the Secretary of State because it relates only to development permitted by Parts 1 to 4 of Schedule 2 to the Order and the Authority consider that the development would be prejudicial to the proper planning of their area or constitute a threat to the amenities of their area. The Direction shall expire at the end of six months from the date upon which it is made unless disallowed or approved by the Secretary of State. The Direction shall, in accordance with Article 5(10) of the Order, come into force in respect of any part of the Land on the date on which notice of the making of the Direction is served on the occupier of that part of the Land or, if there is no occupier, the owner. If the Authority consider that individual service on the owners or occupiers of the Land is impracticable because the number of them makes such service impracticable or because it is difficult to identify or locate one or more of them, the Authority shall publish a notice of making of the Direction in a newspaper circulating in the locality in which the Land is situated and, in accordance with Article 5(15) of the Order, the Direction shall come into effect on the date on which the notice is first published.
