## Part B

1. **To which Modification does your representation relate?** (please insert as appropriate)

Main Modification Reference number: MM [ 17 ]

Policies Map Reference number: PM [ ]

Additional Modification Reference number: AM [ ]

2. **If your comment is on a Main Modification, do you consider that the Main Modification is:**

Legally Compliant – Yes / (please delete as appropriate)

Sound – No (please delete as appropriate)

3. **Please explain why you consider a Main Modification does not assist in achieving legal compliance or soundness or provide any other comments on it in the box below. Please be as precise as possible.**

### **MM17**

We welcome the last sentence, requiring monitoring of traffic impacts of major developments, which is good and long overdue. However it is not clear what the consequences of monitoring would be e.g. what would happen if the traffic greatly exceeds the Travel Plan submitted at the time of application. Monitoring is little use if it does not affect future policy.

4. Please set out in the box below the changes you consider necessary to make the Main Modification legally compliant and sound.

Add: If road traffic significantly exceeds that expected under the Travel Plan, this could prevent other development in the area.
