Good morning

Thank you for consulting National Highways regarding the Main Modifications to Wirral's Local Plan.

We have reviewed the changes and can confirm that we are content that there would remain no severe impact to the Strategic Road Network (SRN) following the adoption of the modified Plan. With the reduction in overall housing allocation and employment space, it would be expected that the SRN would be less impacted than previously determined. We are therefore content to make no additional comment at this time and our previous response is still relevant.

Kind regards

Subject: Wirral Local Plan – Consultation on Main Modifications

This email is to inform you about the next stage in Wirral Council's Local Plan process.

Following examination hearings undertaken between April and November 2023, the Planning Inspectors appointed by the Secretary of State have identified the Main Modifications that are considered necessary to make the Wirral Local Plan sound and/or legally compliant. They are put forward without prejudice to the Inspectors final conclusions on the Local Plan, which will take account of all the representations submitted. The Council is now inviting comments on the Main Modifications.

Consultation will take place for a period of 6 weeks commencing at 10am on Wednesday 25 September 2024 and **the deadline for comments to be submitted on the Main Modifications is 5pm on Friday 8 November 2024.** Comments received after this deadline will not be accepted.

A notice setting out where the consultation documents can be inspected and how comments can be submitted is attached.

Further information, a copy of the consultation documents and a copy of the Response Form on which comments should be submitted can be viewed and downloaded from the Council's website at <https://www.wirral.gov.uk/new-local-plan>. Paper copies of the consultation documents can also be viewed in public libraries during their normal opening hours, where paper copies of the Response Form will also be available.

Please note that any comments you submit and your name will be made available for the public to view and cannot be treated as confidential.
